Looks like fun! You'll get a chance to become good friends with everyone and better solidify those working relationships. These kinds of trips out of the office are so beneficial.

All,

Gina informed us that it will probably be 80 degrees and sunny next week in , so plan accordingly. Also, for the facilities tour, people should wear solid, closed-toe shoes (they don't need to be steel-toed). Gina is double checking with the facilities, but it is her understanding that any additional PPE will be provided.

Here are some cell phone numbers for people coming on our end:

Fred Hauchman
Kent Thomas
Chris Carusiello
Marcus Aguilar
Scott Deitchman
Annette Guiseppi-Elie

Others can add their phone numbers to this list if they wish.

Meet-up location at 9:30 am on February 9:
